

Grundig TS340 - Hi-Fi Tape Recorder

Reel-to-reel 4-track tape recorder. 3 speeds, 4.75, 9.5 and 19 cm/s. 18 cm reels.

TS 340 uses hybrid solutions, with 6 vacuum tubes and 14 transistors. Each track can be accessed or recorded separately, allowing echo effects and bouncing of a track on another one, as in studio machines.

40 to 18000 Hz frequency response at 19 cm/s. 12 W per channel stereo amplifier.
